ABOUT ONWARD LIVING

At Onward Living we specialise in building quality new homes across the North West.

We believe everyone deserves a place to call their own, which is why we offer affordable homeownership solutions such as Shared Ownership to help you take that first step on the property ladder.

Whatever your situation, whether you're a first-time buyer, starting again or just thinking about downsizing, we'll help you find a home that's right up your street.

What's more, our friendly experienced team will be there every step of the way, providing all the advice and support you need to make buying and owning your Onward Living home as straightforward as possible.

ABOUT SHARED OWNERSHIP

Shared Ownership is another way to buy your own home. You buy a percentage (between 25% and 75%), and pay rent on the rest. Onward Living owns part of it – but you're living there, you decorate it, and you decide when to sell.

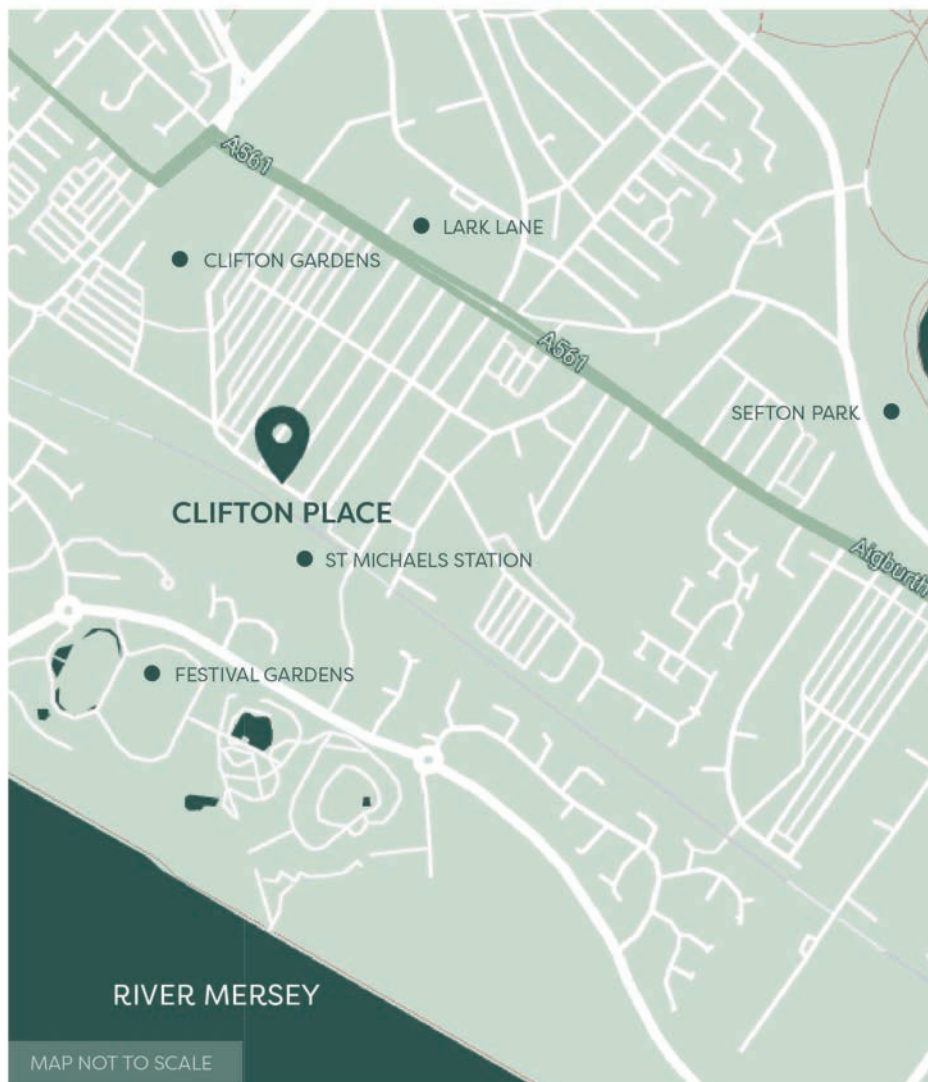

Buying a percentage means a smaller deposit and smaller mortgage. It's a sooner first step on the ladder for lots of people. Usually, you can also carry on buying shares, to own it 100%.

To find out if you're eligible for Shared Ownership or for information on the scheme, please contact the Sales Team on 0151 708 2421 or email sales@onward.co.uk
